Newsletter March 2013

Greetings

Looking Out: Looking In

Our biennial exhibition at the SRAG is less than 6 months away. **The exhibition dates are July 25 to September 1 2013.**

It is important that we get an idea of how many works we are going to have. In "State of Flux" we were able to fill the gallery, and we would like to do the same this time.

So what we need to know is:-

- The number of works anticipated.
- The approximate size of the works.
- The type of work eg. painting, sculpture, ceramic etc.

Of course, any information provided is not binding.

If you have any suggestions eg. somebody to open the show, please let us know.

The organizing committee is:-

John Donnelly 02 6736 3216
